COUNTY COMMISSONER

7th DISTRICT

Re-elect
**David
Taylor**
COUNTY COMMISSIONER 7th DISTRICT

David Taylor is the County Commissioner fighting hardest to keep your County taxes low. Because David Taylor is both a Tax Attorney and a Certified Public Accountant, he knows Cass County taxes to be higher than necessary to run good county government. Cass County now has more unrestricted net assets per resident than any other county in Southwestern Michigan. Cass County does not need to build cash for unplanned uses.

In 2008, David Taylor caused Cass County to return \$150,000 of taxes which had been imposed in violation of state law. David Taylor proposed an additional \$750,000 of county tax reduction this year because it was in excess of budget needs. Keep your county taxes low by keeping David Taylor as your County Commissioner. He has the knowledge and ability to fight for you against higher than necessary county taxes.

David Taylor also works to keep Cass County green by serving on the Committee that drafted the Farmland Preservation Act for Cass County. David Taylor opposes development of any and all wetlands and promotes the preservation of access to the lakes and streams of Cass County for all residents. David Taylor supports responsible land development policies. Keep Cass County green by keeping David Taylor as your Cass County Commissioner.
